

Rocky Passes

Wines made with care

Rocky Passes Estate is a cool-climate vineyard & winery near Seymour. The cellar door was inspired by the cosy simplicity of the cantinas of Argentina & serves the delicious food of the tapas bars in Spain.

It is also the home of Vitto Oles' **furniture-making studio**.

Both Rocky Passes' wines and Vitto's furniture-making are grounded in the Artisan tradition but embrace new technology where it doesn't compromise the final result.
